- Approx. 12 other residents

Business:

Old Business:

Minutes for the November 2018 Board Meeting were approved

New Business:

- **Item 1 – National Night Out (Katie Beymer)**

At this time we do not have any “organized” event planned for the national night out. (Tuesday, August 6th)

- **Item 2 – City of Roses Disposal & Recycling (Alando Simpson)**

Alando is the owner of the new Disposal & Recycling Center that is located on the North side of Sandy Blvd. He has a conditional use permit that was approved in 2002 to turn the site into a transfer station. This location will also be used for commercial construction recycling. Other points include:

- ___ The business will be open from 6 am until 4 pm.
- ___ There will be approximately 30-40 trips a day by trucks.
- ___ This facility is not open to the general public.
- ___ There will be no organic or hazardous waste dropped off here.

- **Item 3 – (Jeff Rempfer)**

Jeff talked about how the Portland City Council works as a commission form of government which is outdated. Portland is the only large US City to still use it. Jeff Gianola with KOIN news is doing a special report on it and he interviewed Jeff for it. It will air in February.

- **Item 4 – Farm Project Update (Tom Hoffman & Bryan Atkinson)**

We will be discussing the update in further detail in February's meeting, but protecting our views of the mountains and having a gathering space are important aspects.

The meeting was adjourned at 8:40 p.m.

Respectfully submitted,
Deanne Englund, Secretary
