

We are committed to equal access to our services and resources. We are happy to provide translation, child care, materials in an alternative format, auxiliary aids, modified programming, or other accommodations in order to support community driven programs in East Portland. Please contact us with at least one month in advance prior your programs.

OFFICE OF
**Community
& Civic Life**
EAST PORTLAND
COMMUNITY OFFICE

**Place-based
People-centered
Services & Resources**

The East Portland Community Office (EPCO) is one of seven community hubs designated by the City's Office of Community & Civic Life (Civil Life) to support community building, civic engagement, and advocacy efforts in East Portland.

EPCO offers support to the 28% of Portland's residents that live work and come together in East Portland. EPCO service area covers Portland east of 82nd Avenue/I-205 (map on back). EPCO is a community-driven Office dedicated to serving and working with East Portlanders in carrying out their community building and civic engagement activities and projects.

We provide support by

Connecting

We connect community members to resources and organizations.

Project Assistance

Assistance with outreach, project planning, grant writing.

Skill-building

Trainings, workshops, one-on-one support.

Information and Referral

Who do you call about a pothole? Where can small businesses get assistance? We'll direct you to the right resources.

Fostering Collaboration

We support cross organizational collaboration on projects and advocacy on public policy.

Resources available with EPCO

- Funding for community-driven projects
- Event equipment – outdoor canopies, tables, chairs, cones, barricades.
- Meeting space, easels, easel pads, markers.
- Communication tools – E-newsletter, social media.
- Clean up equipment
- PA System (microphones and speakers),
- Headset equipment for interpretation, Laptop, projector, community computer with graphics software.
